**PENNVEST SURCHARGE**

Supplement No. 84 reduces the per equivalent dwelling unit (EDU) PENNVEST prospectively adjustable surcharge (initially in the amount of \$8.18 per EDU) in accordance with the Order of the Commission entered July 30, 2015 at Docket No. R-2014-2445660. (C)

This surcharge is calculated to recover the principal and interest amounts payable pursuant to the final amortization schedule for PENNVEST loan 80180, and shall remain in effect until all such principal and interest is recovered, at which point it shall be set to zero unless there are subsequent PENNVEST loans approved by the Commission for surcharge recovery.

**PENNVEST SURCHARGE**

1. For the limited purpose of recovering PENNVEST loan principal and interest only for used and useful assets financed by such loan, an EDU surcharge will be uniformly applied to all classes of customers (with the exception of public fire protection customers) for service rendered on or after January 1, 2015. This per EDU surcharge is calculated to recover the total principal and interest amounts payable pursuant to the final PENNVEST amortization schedule for Columbia's PENNVEST loan obligations. This and the provisions below shall apply to PENNVEST loan 80180 and any subsequent PENNVEST Loan approved for surcharge recovery by the Commission.

2. The surcharge amount of \$7.90 per EDU is determined as follows: (C)(D)

$$PVS = (PI/EDU's)/12$$

PVS = Prospective PENNVEST Monthly Surcharge per EDU

PI = Annual Principal and Interest per PENNVEST Loan

EDU's = Current Equivalent Dwelling Units as determined from the Company's Billing Records

3. The Company shall recalculate the prospective surcharge amount in a Section 1308 filing made within 60 days of a material change to PI or EDU's and at the time of general rate case filings under Section 1308(d). For purposes of this recalculation, a material change is a change that would result in a cumulative increase or decrease in the currently-approved PVS of 1.5% or more.

4. The surcharge is reflected as a separate line item on each customer's bill.

5. The PENNVEST surcharge shall remain in effect until the principal and interest charges (amounts payable pursuant to the final amortization schedule) for the applicable loan have been collected. The surcharge mechanism will be continued but set at zero if there are no PENNVEST loans approved by the Commission for surcharge recovery.

6. The surcharge is solely designed to begin timely recovery of PENNVEST principal and interest loan obligations(s).

7. The Company will segregate all revenues dedicated for PENNVEST repayment so long as the surcharge remains in effect.
